A taxi passenger tapped the driver on the shoulder to ask him a question. The driver screamed, lost control of the car, nearly hit a bus, went up on the footpath, and stopped centimeters from a shop window. For a second everything went quiet in the cab, then the driver said, "Look mate, don't ever do that again. You scared the daylight out of me!" The passenger apologized and said he didn't realize that a little tap could scare him so much. The driver replied, "Sorry, it's not really your fault. Today is my first day as a cab driver - I've been driving 'hearses' for the last 25 years!!!!

The pro football team had just finished their daily practice session when a large turkey came strutting onto the field. While the players gazed in amazement, the turkey walked up to the head coach and demanded a tryout. Everyone stared in silence as the turkey caught pass after pass and ran right through the defensive line. When the turkey returned to the sidelines, the coach shouted, "You're terrific!!! Sign up for the season, and I'll see to it that you get a huge bonus." "Forget the bonus," the turkey said, "All I want to know is, does the season go past Thanksgiving Day?"

Q. Why don't snakes bite lawyers?
A. Professional courtesy!

A man goes to the hospital for his brain scan. According to the results in his left brain nothings right, And in his right brain nothing's left.

A policeman arrives at the scene of an accident in which a car smashed into a tree. The policeman rushes over to the vehicle and asks the driver, "Are you seriously hurt?" "How do I know?" the driver responds. "I'm not a lawyer!"

A father in a hurry taking his 8-year-old son to school makes a turn at a red light where it isn't allowed. "Uh-oh, I just made an illegal turn!" the man said. "That's OK Dad," the son says, "The police car right behind us did the same thing."

"Grandma, how long have you and Grandpa been married?" asked young Nina. "Fifty years," Grandma replied.

"That is so wonderful," exclaimed Nina. "And I bet in all that time, you never once thought about divorce, right?"

"Right, Nina. Divorce, NEVER. Murder, lots of times, but never divorce."

It was April 1st, and in a small midwestern town, two rookie policemen were patrolling the downtown business area. They decided to stop into the local coffee shop for a coffee and a donut. The time was 11:55 AM.

Three minutes later, they got a call on their police radio:

"Code 33 in progress, man in bank dressed as a banana."

Well, there was only one bank in town; in fact, it was just across from the coffee shop. A code 33 was an

"armed robbery" but it was also just 11:58 AM and the two rookies decided it was the dispatcher playing a joke on them just before lunch. So they continued enjoying their coffee break.

At 12:01 PM, they got a second call on their radio, "Repeat, Urgent, code 33 in progress, man in bank dressed as a banana."

Realizing it was past noon and the dispatcher sounded frantic, they rushed across the street -- but arrived 30 seconds after the banana split.

Yesterday my son came home and said, "I have good news and bad news. The good news is - I got 18 out of 20 on my driver's test." I said, "Great! Now what's the bad news?" He said, "They were pedestrians."

The factory foreman inspected the shipment of crystal vases leaving the plant, and approached his new packer. He put his arm around the man's shoulder and said, "Well, Ole, I see you did what I asked. Stamped the top of each box, 'This Side Up, Handle With Care.'"

"Yes sir," the worker replied. "And just to make sure, I stamped it on the bottom too."

Checking the menu, a restaurant customer ordered a bowl of vegetable soup. After a couple of spoonfuls, he noticed a little pool of liquid forming under the bowl.

He called the waitress over and said, "There's broth all over the table. I think the bowl is cracked."

The waitress said, "You ordered vegetable soup, didn't you?"

"Yes," said the customer. "Maybe it has a leak in it!" replied the waitress.

A nicely dressed gentleman walks into a certain steakhouse.

"What a handsome looking guy you are," he hears. Then a remark is heard saying, "That is a splendid suit you are wearing."

The gentleman then asks the waiter, "I don't see anyone talking, what is that?"

The waiter replies, "It's the peanuts. They're complimentary!"

The policeman arrived at the scene of an accident to find that a car had struck a telephone pole. Searching for witnesses, he discovered a pale, nervous young man in work clothes who claimed he was an eyewitness. "Exactly where were you at the time of the accident?" inquired the officer. "Mister," exclaimed the telephone lineman, "I was at the top of the pole!"

A flying saucer was low on fuel, so it landed near a local gas station. On its side were the letters "UFO." The gas station attendant was stunned, but his curiosity got the best of him. "Does that stand for Unidentified Flying Object?" he asked. "No," one of the other-worldly travelers responded, "It stands for 'Unleaded Fuel Only.'"

Did you here about the guy
who lost his whole left side?
He's alright now!

One day in the Garden of Eden, Eve called out to God...
"Lord, I have a problem!"
"What's the problem, Eve?"
"Lord, I know you've created me and have provided this beautiful garden and all of these wonderful animals, and that hilarious comedic snake, but I'm just not happy."
"Why is that, Eve?" come the reply from above.
"Lord, I am lonely. And I'm sick to death of apples."
"Well, Eve, in that case, I have a solution. I shall create a man for you."

"What's a 'man', Lord?"
"This man will be a flawed creature, with aggressive tendencies, an enormous ego and an inability to empathize or listen to you properly. All in all, he'll give you a hard time. But, he'll be bigger, faster and more muscular than you. He'll also need your advice to think properly. He'll be really good at fighting and kicking a ball about, and hunting fleet-footed ruminants."

"Sounds great," says Eve, with an ironically raised eyebrow. "What's the catch, Lord?"

"Yeah, well.... you can have him on one condition."

"What's that, Lord?"

"You'll have to let him believe that I made him first."

And I wonder why the cemetery just raised its burial charges and blamed the cost of living?

The school of agriculture's dean of admissions was inter-viewing a prospective student, "Why have you chosen this career?" he asked.

"I dream of making a million dollars in farming, like my father," the student replied.

"Your father made a million dollars in farming?" echoed the dean much impressed.

"No," replied the applicant. "But he always dreamed of it."
